RESUME - Gary Bush

My name is Gary Bush and I have been in Law Enforcement for approximately 33 years. This includes the U.S. Army Military Police (3 years), Lake City Police Department in Lake City, Florida (6 years), the Pasco County Sheriff's Office in New Port Richey, Florida (17 years), and the Marion County Sheriff's Office in Ocala, Florida (7-1/2 years). I served as a Patrol Officer, Detective in both Property Crimes and Major Crimes for approximately 8 years, Patrol Sergeant for 11 years. My last four years I was a Detective in Property Crimes (special investigations) in which I was the liaison between the Sheriff's Office and local recyclers and was investigating metal thefts, and I was also the liaison with local construction companies and investigating construction thefts in Marion County. I was brought aboard very recently by ISRI as their National Law Enforcement Liaison and Director of Metal Theft Prevention.
